SYSTEM

Spacious, versatile in the layout seating configuration and with features that ensure comfort, functionality and ease of use for the passengers, **Ford Tourneo Custom** is available for wheelchair users, by equipping it with the modern **Fiorella Wheelchair Lift** designed and manufactured by Focaccia Group.

Thanks to its compact dimensions and its elegant and sophisticated style, Fiorella lift matches perfectly the interior of the Tourneo Custom, and allows easy and safe access to the vehicle for wheelchair user, and enables quick and easy use for the caregiver.

The swivel base **F-Twister** allows the lift to rotate outward, allowing the caregiver to perform loading and tie-down operations from a comfortable position, standing outside the vehicle. In addition, F-Twister represents a quick and efficient emergency exit.

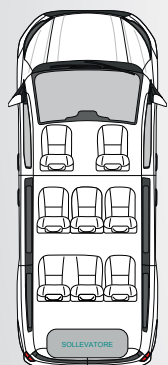

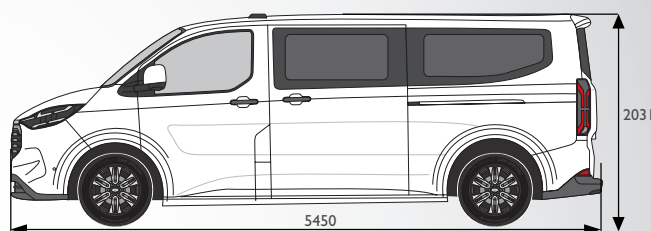

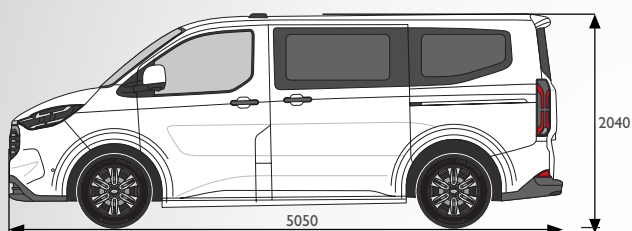

Ford Tourneo Custom can accommodate **1 wheelchair user** and **6 or 7 passengers** (according to the version of the base vehicle, 8 Seater or 9 Seater). The individual rear seats can fold down, slide forwards, or even be removed entirely for super-flexibility.
