HIGH QUALITY FEATURES

The F-Style conversion is easily recognizable at first glance with features including a **Hi-Tech floor, integrated LED lights, automotive ABS interior trims, new single seats covered in fabric** to harmonize with the interior finishes. These exclusive upgrades are in line with the aesthetics of the original vehicle and make the travel environment refined and pleasant for all passengers.

SAFETY ON BOARD

The 4-point floor anchorage and the 3-point seat belt ensure the highest safety measures for the wheelchair user in full compliance with the regulation ISO 10542.

GREAT VERSATILITY: GENIUS RAMP

The opening and closing of the access ramp are quick and easy. The **Genius ramp** system allows the access ramp to be folded inside the vehicle and to closely resemble the original vehicle floor, when the person in wheelchair is not on board.

► Elegance and Style

A perfect combination of elegance, style and technology.

► Maximum Safety

During both the loading and transport phases.

► Flexibility

Seating configuration can be easily adjusted according to the transport needs.

SPACE AND FUNCTIONALITY

Fiat Doblo' F-Style accommodates up to **4 passengers** and **1 person in a wheelchair**. The wide wheelchair parking area allows the person with disabilities to travel in maximum comfort, perfectly integrated alongside the group of passengers. The restraint storage compartment and the storage spaces are practical and designed for everyday living.

F-WINCH

Designed by Focaccia Group, the electric winch F-Winch allows drawing the wheelchair onto the access ramp, in a comfortable and safe way. It can be operated via standard wired remote or the wireless F-Remote.
